Post #2

Sample Caption: Many community health centers and clinics and their associated pharmacies are miles apart, especially in the most rural parts of our state, due to arbitrary restrictions imposed by drug manufacturers. More local pharmacy options will ensure that patients get the life-saving medications they need when they need them.

Post #3

Sample Caption: Drug manufacturers have placed various restrictions that reduce access to discounted prescription drugs for disadvantaged patients. These restrictions limit community health centers from partnering with more local pharmacies and decrease the number of prescriptions available at discounted prices. AB 1460 SAVES LIVES by eliminating those barriers.

Post #4

Sample Caption: @HealthCenter patients deserve access to affordable life-saving prescription drugs. At a time when access to healthcare is under attack, California must STAND with its most vulnerable communities.

CANVA HOW TO TIPS

How to use the templates files:

- Click the [link](#) to open the design file.
- Click File from the status bar above the editor.
- Click Make a copy. The duplicated design will open in a new tab.

You can make copies of your designs to keep the 'original' versions' for editing. This is helpful if you don't have access to your design history. You can also make copies of designs that are shared with you.
